

Dear Parents and Carers

I am writing to inform you that Mrs Cox is currently unwell and in hospital. Unfortunately she will not be back before the end of this term.

Although we understand this might be unsettling for your children Mrs Russell will of course still be in on Thursdays and Fridays and the children will have their regular TAs Mrs Milliken and Mrs Flanagan along with our two new specialist HLTAs, Miss Voulgari and Miss Tydeman.

We know you will join us in wishing Mrs Cox a speedy recovery and look forward to her return as soon as possible. If you have any concerns please don't hesitate to contact Mrs Russell or me.

Yours sincerely,
